

Featured Species of Concern

Golden-winged Warbler (*Vermivora chrysoptera*)

Shrub/Young Forest

NE Habitat: patchy interspersal of young forest, shrub, and open woodland habitat

Threats: open forest habitat loss and invasive species in wetland habitats

IUCN: Near threatened and declining globally

North American Breed Survey: 68% decline (1966-2014)

Continental Concern Score: 16/20

Audubon Climate Rank: Threatened

States Listed: NY, VT, MD, NJ

Bird of Conservation Concern

Partners in Flight Watch List

NFWF and NRCS Working Lands for Wildlife Species funded

Eastern Meadowlark (*Sturnella magna*)

Grassland

NE Habitat: native prairies and grasslands or pastures and agricultural fields greater than 6 acres

Threats: native grassland habitat loss, changes in farming practices from small to industrialized

IUCN: Near threatened and declining globally

North American Breed Survey: 89% decline (1966-2014)

Continental Concern Score: 11/20

States Listed: MA, ME, NH, NY, NJ

Bird of Conservation Concern

American Bird Conservancy Flagship Species

Wood Thrush (*Hylocichla mustelina*)

Forest

NE Habitat: mature and mixed forests containing a 50ft overstory and moderately dense understory for nesting

Threats: open forest habitat loss and invasive species in wetland habitats

IUCN: Least concern and declining globally

North American Breed Survey: 62% decline (1966-2015)

Continental Concern Score: 14/20

Audubon Climate Rank: Threatened

States Listed: ME, NJ

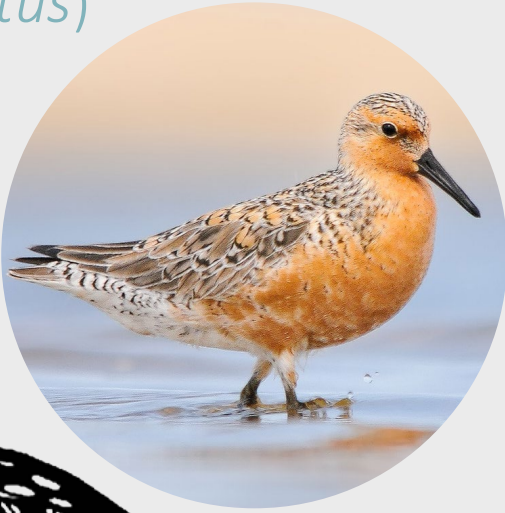

Bird of Conservation Concern

Partners in Flight Watch List

NFWF funded

Red Knot (*Calidris canutus*)

Coastal

NE Habitat: marine beaches, mudflats, estuaries, lagoons, and bays

Threats: sea level rise, fishing practices, and hunting in E. South America and the Caribbean

IUCN: Near Threatened and declining globally

North American Breed Survey: 68% decline (1966-2014)

Continental Concern Score: 12/20

Audubon Climate Rank: Endangered

States Listed: NY, ME, VT, MA, RI, NH, PA, NJ, MD, WV, VA, DE

Federally Threatened

NFWF and Atlantic Flyway Shorebird Initiative funded
